Notes (not forming part of the draft Scheme)

The Commissioners have been told by the Bishop on the advice of her Diocesan Mission and Pastoral Committee that the rationale behind the diocesan proposals is as follows:

The two PCCs concerned have been working together for some time and are now at a place where being one PCC they will be better placed to serve the town and village.

Publication of this draft Scheme by the Commissioners does not mean that we have taken a view on the merits of the diocesan case. We have a duty to publish draft Schemes based on diocesan proposals.

If we receive representations against the draft Scheme, we will send all representations, both for and against, to the Bishop whose views will be sought. Individual representors will then receive copies of our correspondence with the Bishop (including copies of all the representations) and they may comment further in writing to us in light of the diocesan response if they so wish.

If there are no representations against the draft Scheme, we will make the Scheme and arrange for it to be brought into effect.

Clause 4

The above clause has been included to ensure that any person holding an office of assistant curate (however described) shall as consequence of the union of the parishes effected by the Scheme hold such office or offices subject to the same terms of service in the new parish of Holy Trinity Bungay with All Saints Mettingham. Although there is currently no such unnamed office holder in post, this clause is included in case any such office holder is appointed before this Scheme comes into operation.
